William Petrie Esqr.

President & ca members of the

Board of Revenue

Gentlemen,

Para 1. I have the honor to lay before You Copy of a Correspondence which has passed between me & Mr. Campbell, relative to advances which he wishes to be made to the Ryots

2 With respect to the proposal which Mr. Campbell makes in enclosure No. 1 to which I beg leave to refer your Board, to advance ten rupees p Cawney for the purchase of Bandies & Cattle for the carriage of Cane to the Works, & for their agricultural purposes & to be made to the Ryots thro' my Cutcherie, my objection to the advance to be so made is stated in Para 5 of No. 2 independent of other various reasons; but should [illegible] those already noted be sufficient to convince Your Board of the impolicy of such a measure and my decided objection thereto, I am prepared at your Command to adduce others, in my opinion still more substantial

3. As to the advance itself of ten rupees p Cawney; it is evident from Mr. Campbell's letter No. Para 5. that it is more the consequence of the Cane Cultivation, than of necessity; since had not the Canes been cultivated; neither the advance

advance of 20 Pondicherry Rupees in the first instance
nor the required loan of ten in the second, would
have been asked - tho' the same rents would have
been paid

4 Taking the average price of the Ryots
share of the Cane according to Mr. Campbell's
letter of the 22nd. December No. dividing it into
three equal Sorts in the same proportion as followed
in Salem & Eroad, the price of their share will
not equal more than 12 Pagodas or Comp'y's Rs. 42
for a Acre; deducting from this the advance made
Pond'y Rs. 30 or Comp'y's Rupees 31.½ - less than
11 Company's Rupees remain for their Subsistence
the end is clear to them but the first advance of
20 Rupees is for the Cultivation with all incident-
-tal Expenses of the Whole - and the second as
the first can only be repaid from their Share of
the Cane, hence I conceive the security for the
advance on this account whether publicly or
privately made insufficient on the present produce
of the Ryots share to warrant its being made for the
time of payment proposed by Mr. Campbell.

Notwithstanding these objections
as the speculation appears favorable, and as
Mr. Campbell does not seem to consider any
further advance necessary for the Cultivation of
the old Gardens, I beg leave to recommend that
the whole of his Estimate accompanying
amounting to Pondicherry Rupees 6340

Six

(Six thousand three hundred & forty Pondicherry Rupees) may be sanctioned, as this indulgence will probably contribute to the success of his speculation -

I have the honor to be with respect
